Duties:

- Assist the Exploration and Project Geologists;
- Organization and movement of core boxes up to 50 lbs;
- Measuring core recovery and labelling core boxes
- Measuring rock characteristics such as RQD, Magnetic Susceptibility, and Specific Gravity
- Entry of data into Microsoft Excel spreadsheets and company logging software;
- Cutting of core samples and organizing samples for shipment;
- Maintaining a core library and map of core locations;
- Maintenance of equipment and the core building facilities.

Qualifications

- Physically capable of lifting and carrying core boxes up to 50 lbs;
- Geotechnician experience an asset;
- Experience with Microsoft suite Excel, Word, Access an asset;
- Basic or Standard First Aid an asset;
- Skid steer experience an asset;
- Mechanical and carpentry skills an asset;
- Valid driver's license with positive driving record.

About Anaconda Mining Inc.

Anaconda Mining is a TSX and OTCQX-listed gold mining, development, and exploration company, focused in the top-tier Canadian mining jurisdictions of Newfoundland and Nova Scotia. The Company is advancing the Goldboro Gold Project in Nova Scotia, a significant growth project with Measured and Indicated Mineral Resources of 1.9 million ounces (16.0 million tonnes at 3.78 g/t) and Inferred Mineral Resources of 0.8 million ounces (5.3 million tonnes at 4.68 g/t) (Please see The Goldboro Gold Project Technical Report dated March 30, 2021), which is subject to an ongoing feasibility study. Anaconda also operates mining and milling operations in the prolific Baie Verte Mining District of Newfoundland which includes the fully-permitted Pine Cove Mill, tailings facility and deep-water port, as well as ~15,000 hectares of highly prospective mineral property, including those adjacent to the past producing, high-grade Nugget Pond Mine at its Tilt Cove Gold Project.

Safety, Integrity, Reliability

Anaconda Mining Inc. is an equal opportunity employer.

*At Anaconda, we have a clear vision: to be the place where a **diverse mix of talented people want to come, to stay, and do their best work.** Diversity is more than a commitment at Anaconda—it is the foundation of what we do. We are fully focused on equality and believe deeply in diversity of race, gender, sexual orientation, religion, ethnicity, national origin, and all the other fascinating characteristics that make us different.*
