- Assisting with preparing drawings
- Assisting in blasting operations (stemming and pit sweeps for safety)
- Refuelling various pumps, generators, light-towers, and other equipment
- Repositioning pumps, cables, and pipes associated with dewatering activities

Qualifications

- Previous work in a Mining or Civil construction environment considered an asset
- Must be in good physical condition
- Strong communication skills
- Basic knowledge of computers and MS Office
- Ability to learn the basics of GPS surveying with training and supervision provided
- Trouble shooting, problem identification and problem-solving skills
- Ability to work individually and as part of a team
- Post secondary education considered an asset (may not necessarily be in a mining or civil discipline)

About Anaconda Mining Inc.

Anaconda is a growth-oriented, gold mining and exploration company with a producing project called the Point Rouse Project and four exploration/development projects in Atlantic Canada including the Tilt Cove Property in Newfoundland. Anaconda is also developing its Goldboro project in Nova Scotia.

As the only pure play gold producer in Atlantic Canada, Anaconda Mining is turning the rock we live on into a growing and profitable resource. With a young and motivated workforce, innovative technology and the support of local suppliers, Anaconda is investing in the people of Newfoundland & Labrador and giving back to the communities in which we operate – building a better future for all our stakeholders, from the ground up.

Safety, Integrity, Reliability

Anaconda Mining Inc. is an equal opportunity employer.
