

Financial Tearsheet

Company Overview

ATA Inc. (NASDAQ: ATAI)

ATA Inc. is a leading provider of advanced testing technologies in China. The Company offers comprehensive services for the creation and delivery of computer-based tests based on its proprietary testing technologies and test delivery platform. ATA's computer-based testing services are used for professional licensure and certification tests in various industries, including information technology services, banking, teaching, securities, insurance, and accounting. As of December 31, 2013, ATA's test center network comprised 3,043 authorized test centers located throughout China. The Company believes it has the largest test center network of any commercial computer-based testing service provider in China.

ATA has delivered more than 56.0 million billable tests since ATA started operations in 1999.
