

Financial Tearsheet

Company Overview

Neuropathix, Inc. is a biopharmaceutical company focused on the development of proprietary and patented cannabidiol (CBD) and CBD-like molecules for patients suffering from unmet medical needs of neurodegenerative disorders - including chemotherapy-induced peripheral neuropathy (CIPN), a chronic neuropathy caused by toxic chemotherapeutic agents; hepatic encephalopathy (HE), a neurotoxic brain-liver disorder caused by excessive concentrations of ammonia and ethanol in the brain; mild traumatic brain injury (mTBI), a disorder associated with single and repetitive impact injuries; and chronic traumatic encephalopathy (CTE) a disease associated with highly repetitive impact injuries in professional and amateur sports. The Company's family of proprietary molecules focuses on treating oxidative stress-related diseases such as HE, chronic pain from neuropathies like CIPN, and neurodegenerative diseases like CTE. Neuropathix conducts its research and development efforts at the Pennsylvania Biotechnology Center of Bucks County in Doylestown, PA.
